Resolution #FIN-04-09-2019
Nilgun Sezginis made the motion to approve the 2018 Financial Audit Report, released on August 13, 2019. Dr. Milbrodt seconded the motion. Richard share report was a bit tough to interpret. Tracy explained there was one financial error in the trial balance schedule which was due to not updating balances from 2018 numbers to 2019 numbers. This caused cash balances to be misclassified. We did not make any changes to our current procedures. It was simply a misclassification on the statement. This was at the financial level, not the federal, so this was explained to us by the Perry & Assoc. auditor as not being as significant. A voice vote was taken.

**Questions, Comments, Director Updates:**

Cathy made note that the Accounts Receivable looks good. The dental center should see the patient appointments increase with the new dentist starting soon who will work full time. Lexie shared that the credentialing is currently in process to get some insurance companies approved.

**HEALTH COMMISSIONER:**

The boards’ continuing education course to do for this month “Agency Fiscal Management” was reviewed by the board with a good understanding of the financials with the agency. There were no questions. It was advised to reach out to Ben or Tracy with any questions in the future.

Ben will be out of the office next week on Tuesday and Wednesday to attend the AOHC fall conference which will discuss the future for public health in 2020. Opiate overdoses have gone Ben shared but
suicides have gone up. Mental health is very prevalent. Michigan has outlawed vaping and with the deaths from vaping increasing, this could become a national decision. Ben has someone in mind for the treasury for the levy committee and once we have the position filled, we will contact the election board.

The county is at 200 years and this will be marketed through the schools so this would be a good opportunity to share the 100 years for the wood county board of health. Ben shared that Pat is planning for 2020 as the formation of the board will celebrate 100 years. An open house and radio spots, commercials and printing cost is outlined in a budget Pat put together that comes to $9350. Attending the four parades in our area is also mentioned and supplying windbreakers with our logo on them for staff and board members who attend would cost $1750. The funds would be used for this year’s parades and cover plans for public outreach in 2020.
